

## Permanent Way Trackman

We are seeking a suitably experienced and enthusiastic individual to join our Permanent Way Track team within the Infrastructure Engineering Department of a premier heritage steam railway. Reporting to the Track Chargeman, you will assist with track patrols, track maintenance and repairs, and be prepared to operate large plant and Road-Rail vehicles.

You must possess good communication skills and enjoy outdoor work, as part of a team or individually. Experience in medium to heavy plant operating is desirable, although not essential. This is an exciting opportunity to contribute to the maintenance and preservation of our Railway. Training will be provided to maintain the competency required for the role.

This is a full-time, 40 hours per week permanent post – salary will be £18,000 to £22,800 - depending on experience. **We also offer benefits including a non-contributory pension scheme.** Previous applicants to the Plant Operator job need not re-apply.

For further details contact [hr@wsrail.net](mailto:hr@wsrail.net) or call 01643 700390 for an application form and information pack. If you would like to informally discuss the role, please contact Andrew Young, Head of Infrastructure Engineering on 07872 839109, during normal office hours. Completed applications should be returned to HR Department under confidential cover no later than midday Friday 6<sup>th</sup> April 2018. Interviews will be held Wednesday 11<sup>th</sup> April 2018.
