

To All Who Knew Stephen Kirby - RIP,

A memorial fund has been set up in memory of Stephen. As Stephen was a volunteer on the West Somerset Railway -- latterly at Williton Station -- the fund will cover the cost of the two platform lights nearest to the Minehead end of the 'Up' platform at Williton to assist passengers boarding and alighting. Additionally, a memorial plaque will be placed alongside others in the booking office. The inscription will read as follows:

In Memory of
Stephen James Kirby
1951 - 2012
Willing Volunteer

Those wishing to donate should write on the back of any cheques "Memorial Fund for Stephen Kirby - RIP" and made payable to "Williton Station" and sent to Mr John Parsons, Station Master, Williton Station, Station Road, WILLITON, Taunton, Somerset TA4 4RJ.

Any enquiries about the fund can be made to Mr John Parsons who may forward them to the fund proposer, Mr Vince Hathway.
