Dear West Somerset Railway supporters

You may have read reports of difficulties at the West Somerset Railway plc, including the departure, yesterday, of Ian Coleby as Chairman of the WSR plc with no-one as a permanent replacement.

We attended part of the WSR plc Board meeting today in person to offer help. We are keen to emphasise the importance of One Railway.

We shall be staying in close touch with events over the coming days to ensure that the WSR plc is able to continue the line's 150 plus years' service to the local community.
